Brother Ed was described as a passionate and positive force in the teaching and coaching community. He made a lasting positive impression on the many young men whom he taught and coached. As a basketball coach, he believed in equality. One former student remembered that when Brother Ed found out that some boys couldn't afford the latest shoe brands, he bought everyone the same brand of sneakers and the boys wore them proudly throughout the season. He will be remembered as a fine educator, coach and mentor.

The Mass of the Resurrection was celebrated at St. Louis Parish in Waterloo on May 8th. A memorial service also took place in Louisville on May 19th. Interment was in Calvary Cemetery in Louisville. May Brother Ed rest in peace.

Reflection at the Wake Service of Edward Benson, CR on May 7, 2023

by Fr. Sam Restivo, CR

Ed Benson's unexpected death this week invited me to reflect on unfinished relationships. It seems to me that it is never too late to tell those who have died what we treasured and what we found challenging in the relationship.

As Christians, we have the great consolation of knowing that death is not final, that it is not the end of life, and that it is never too late. And further, the belief in the communion of saints tells us that our union with one another does not end at death. We have a close bond with all believers, especially those who have gone before us marked with the sign of faith.

So, it is never too late to tell those who have died how much they inspired us, how the deceased person felt about us and our brotherhood in the same Congregation. It is never too late to apologize for the ways we might have hurt them or how that person hurt us. It is never too late to ask their forgiveness for our negligence in the relationship or their negligence with us, and, it is never too late to speak the words of appreciation, affirmation and gratitude that we should have spoken to them while they were alive.

Although Ed's death seemed sudden and unexpected to us, it wasn't to Ed. For the last number of years, Ed had been losing significant parts of himself through illness, although he didn't talk about it to most of us. Ed's surprise death reminds and provides us with hope because of our belief in the communion of saints.

We thank God for the gift of Ed Benson to us, for his life-long profession of the evangelical counsels in the Congregation, for giving powerful witness to the Risen Lord in his ministry to youth:

as a teacher, coach and mentor, but especially, for reminding us that it is never too late to address concerns or unfinished business in a relationship that remains alive and present to us.

In Memoriam **Father James Valk, CR**

The Congregation of the Resurrection is sad to announce the death of Father James Francis Valk, CR at Winston Park Long Term Care Home on July 17th. He was 85 years old, in his 65th year of religious life and 59th year of ordained priesthood.

Fr. Jim Valk, CR

Fr. Jim was predeceased by his parents William and Madeline (Hanmore) Valk, brother Gerald Valk, and sister-in-law Linda Valk. He is survived and lovingly remembered by his siblings Carol (Allan) Morris, Robert, Mary (Frank) Abram, Patricia (Hans) Engelhardt, sister-in-law Edna Valk, and 12 nieces and nephews.

On September 8, 1958, Fr. Jim professed his religious vows in the Congregation and was ordained to the ministerial priesthood on May 29, 1965. He began his ministry as a Catholic educator at St. Jerome's High School, Kitchener. In 1969, Fr. Jim was assigned to the Resurrectionist mission in La Paz, Bolivia. He also served as Director of St. Andrew's School and superintendent of the public school system there. In 1981 Fr. Jim returned to Canada and served as Associate Pastor of St. Joseph's Parish, Hamilton. After a year of graduate and renewal studies in Washington, D.C. he served as Pastor of Resurrection Parish, Louisville, Kentucky from 1983-1993 and Pastor of St. Joseph's Parish, Hamilton from 1993-2005. In 2005, Fr. Jim retired to Louis Hall at St. Jerome's University and later moved to Resurrection Manor in Waterloo.

Fr. Jim served as Assistant Provincial Superior and was a member of a number of committees within the Congregation along with serving as House Superior for St. Peter's and St. Jerome's University Religious

Houses. Fr. Jim was very involved in the community. During his service in Louisville, Kentucky he acted as President of the Presbyterian Council and Chaplain for Police and Firefighters. Fr. Jim was on the Board of Governors for CCAS in Hamilton and served as Chaplain for the Hamilton Police force for five years. He assisted the University Catholic Community (UCC) at St. Jerome's University by presiding at weekend masses. Fr. Jim's enthusiasm, energy and optimistic approach to life were some of his memorable traits, along with being a great story-teller!

The Mass of the Resurrection was celebrated at St. Francis of Assisi Church, Kitchener on July 21st, followed by interment at Mount Hope Cemetery, Kitchener.

May Fr. Jim rest in peace.

Reflections of my Journey in Religious Life

By Brother David Ernst, CR

I was born and raised in Walkerton and later moved to Deemerton where I lived on the farm and grew in appreciation of rural life.

Upon finishing high school in Walkerton in 1957 I began my religious life at the Resurrectionist Novitiate in Dundas, ON. Then it was in London where I continued with religious formation and helped with chores at St. Thomas Scholasticate located alongside St. Peter's Seminary.

It was in the spring of 1964 when our Provincial Superior approached me, wanting to know if I would be interested in joining our mission in Bolivia. The thought had never crossed my mind! All I remember saying was that it would be different. And, so be it! From that moment on I was convinced that God was highlighting my future with activities to favour the less fortunate. Within a few weeks I became the sixth member of the Bolivian Resurrectionist household.

It turned out to be a grand adventure of some thirty years within the confines of San Miguel Parish. This included invaluable labour provided by the School Sisters of Notre Dame as I accompanied them in the rural areas of the mountainous parish region.

My introduction to the Spanish language and the Bolivian culture quickly had me running errands here and there, then directing the altar servers and eventually church singing.

Another of my experiences involved driving. I had just obtained a driver's license for the first time within weeks before going to Bolivia. The Notre Dame Sisters who would accompany me, whether around the

Brother David Ernst, CR

city or on the country hillsides, could tell you some memorable stories about riding with me!

The sparsely populated rural area of the parish extends way beyond the densely populated urban region, the latter being a distant suburb of La Paz.

During my years there I was most appreciative to be able to accompany at separate times Sister Beatrice Zinger and Sister Rosemary Sander and later Sister Yvonne Nosal, all three belonging to Canada's School Sisters of Notre Dame. Then in the early 1990's Sister Dorothy Goetz, SSND, also from Canada, joined San Miguel's campo ministry. (The word "campo" we use to refer to the rural area. Hence comes the word "campesino", that is, anyone belonging to the campo).

In 1965 I helped in the functioning of our parish credit union and after about seven years I returned to full time ministry in the campo. With the health issue of spasmodic torticollis, which hinders proper neck movements, I needed to withdraw eventually from active participation in pretty well everything.

Most noteworthy of my Bolivian reflections is the Sept. 26, 1969, tragedy of the plane crash in the mountain region which took the lives of more than eighty passengers and crew members. Included were Fathers James O'Connor, the mission's superior, and Walter Strub, the pastor.

Early in 1998 I moved to Ruskin, Florida, just south of Tampa Bay. The mission, Our Lady of Guadalupe, momentarily under the direction of the Canadian Resurrectionist Province, served Mexican migrant farmers. By that time the treatment I underwent in Canada enabled me to be of service there on a temporary basis.

With the St. Petersburg Diocese of Florida recruiting a new director for this mission, the Resurrectionists withdrew from this particular area. As for myself, my new move was to Resurrection Manor in Waterloo, Ontario. Thus, Florida became a brief stepping stone between Bolivia and Canada. During that time, I came to appreciate what these migrant farmers mean for us in their daily struggles.

And so my life as a religious brother has been forever a special blessing! In accordance with God's divine plan. I would have it no other way.

Fr. Adam at World Youth Day

Fr. Adam Wroblewicz, CR Celebrating 40 Years of Ordained Priesthood

Fr. Adam Wroblewicz, CR was born in Poland and ordained a priest in the Congregation of the Resurrection in Krakow in 1983. After seven years ministering in Poland, Fr. Adam moved to Canada in 1990 and served in parish ministry in Hamilton, Brantford and Kitchener. Fr. Adam is currently the Pastor of St. Margaret Mary Parish in Hamilton. Fr. Adam responded yes to God's call to religious priesthood 40 years ago, and we pray that God may bless him with many years of faithful service to come. Congratulations Fr. Adam, on your 40th Jubilee!

Election of Vicar Provincial

On April 22nd, Fr. Joseph deViveiros, CR was re-elected as Vicar Provincial for a three year term. He will join Fr. Tim Uniac, CR, who was re-elected Provincial Superior in February, and council members Fr. Sudie MacDonald, CR, Fr. Michal Kruszewski, CR, Fr. David Mowat, CR, and Fr. Phil Reilly, CR. Resurrectionist Delegates at the Thirty-Fourth General Chapter

Journeying Together in Hope!

XXXIV GENERAL CHAPTER OF THE CONGREGATION OF THE RESURRECTION
ROME 20 VI - 6 VII 2023

General Chapter 2023

By Fr. Paul Voisin, CR

A General Chapter is a very important moment in the life of a Religious Congregation. From June 20 until July 6, the Resurrectionists celebrated their Thirty-Fourth General Chapter at the Generalate in Rome. The theme of the Chapter was 'Journeying Together in Hope', embracing the theme of the disciples on the road to Emmaus (Luke 24:13-35). The banners of the theme, in Polish and English, were the creation of our own Father Lucjan Bartkowiak. On the first day there was a Day of Prayer, led (through the internet) by our own Father Kazimierz Wójtowicz, from Kraków, in four inspiring conferences on the Emmaus theme.

The work of the Chapter began with the Reports of the Superior General, the Vicar General, the Procurator General, the Econom General, the Secretary General, the Archivist, the Postulator General, and the one

responsible for the Community Patrimony. You can imagine that this took a few days, with questions and discussion on the Reports, distributed beforehand in English and Polish. This was followed by the Reports of the Canadian Province (CAN), the Polish Province (POL), the United States of America Province (USA), and the South American Region (SA).

The work of the Chapter continued with Committees in relation to the twenty-nine Proposals prepared by Provinces/Region, Houses and individual Resurrectionists – Community, Government and Finance; Apostolate; Spirituality, Vows, and Formation; and Tanzanian Mission – as well as other related topics that came forward during the Reports and the discussions. The twenty delegates to the Chapter were asked to serve on the Committee with which they had most experience, leading to the composing of, presentation, and passing of sixty Resolutions, and Action Resolutions.

Another important activity of a General Chapter is the election of the General Curia. This led to the election of Father Evandro Miranda Rosa as Superior General; Father Robert Rapinczuk as Vicar General; and Councillors Father Andrzej Gieniusz and Father Krzysztof Swół.

On Sunday, July 2, the General Chapter delegates, led by the new Superior General, celebrated the Eucharist in the Church of Saint Mary in Campitelli, where the funeral Mass of our Founder, Bogdan Jański, was celebrated on that day in 1840. On Wednesday, June 28, the Chapter delegates participated in the Papal Audience in Saint Peter's Square, and afterwards met briefly with Pope Francis.

Delegates of the General Chapter

This was, indeed, an important event in the life of the Congregation of the Resurrection, and we are grateful for the many people – our brother Resurrectionists, Cardinals, Archbishops/Bishops, Religious Sisters, and laity – who accompanied us with their prayers. We believe the Holy Spirit led and guided us in the Thirty-Fourth General Chapter of the Congregation of the Resurrection! Alleluia!

New Life in the Tiny Home Takeout Garden

By Andrew Zettel, Outreach Coordinator for St. Mary's Parish, Kitchener

A few months ago, when Fr. Tim Uniac called Fr. Toby Collins to propose a new project out behind Resurrection Manor, I don't know if either of them fully imagined the remarkable community garden that would result. The basic idea was to run an experiment: growing vegetables to support the Tiny Home Takeout kitchen, and engaging community members in a fun, outdoor activity. The CRs have been so supportive of our Tiny Home Takeout mission at St. Mary's (financially, prayerfully & in many other ways), that this seemed like a creative way to keep building on that good relationship.

And so we got to work! Fr. Toby fired up the little Bobcat loader to clear & move the soil, preparing a 50ft. x 70ft. space. He also managed to find a "new to us" garden shed for all our tools. Sean Hayes, the director of Campus Ministry at St. Jerome's University, brought over a couple of students to help us lay patio stones for a walkway, and build chicken wire fencing to keep the critters out.

We organized a planting day with Chef Amy Cyr & some Tiny Home Takeout volunteers, some St. Jerome's students led by Erika Toffelmire, Fr. Raphael

Volunteers who made the community garden a reality

Some of the produce gathered to be used in the Tiny Home Takeout kitchen

Ma, Fr. Toby & myself. A wide variety of vegetables was planted: beans, peas, carrots, potatoes, tomatoes, squash, zucchini, leeks, kale, beets, radishes ...and more!

A lot of learning & laughter took place that planting day, and in the weeks since, as we work to water and weed the garden. There have been a few bugs to contend with - there's even been a deer spotted munching on some beet leaves (which means we may need a taller fence next year!).

Amazingly, some of the neighbours have taken an interest, coming around with their kids to ask about the garden project. If they've never heard of Tiny Home Takeout, it turns into a great opportunity to tell them about the mission of making quality food available to

Volunteers work in the garden, gathering the fruits of their labours

everyone in downtown Kitchener, especially those in most need.

And the garden is indeed producing quality food! We've already harvested boxes of radishes, bags full of kale, dozens of cucumbers... It's incredible to witness the new life, as a result of our hard work & God's providence.

Many thanks to Fr. Tim & Fr. Toby for their vision, and for helping some of us discover our "green thumbs". This garden - teeming with new life - represents a relationship between the Congregation of the Resurrection, St. Mary's / Tiny Home Takeout, and St. Jerome's University ...a relationship that will continue to *grow* (pun very much intended) for years to come.

May the rains fall gently on our garden!

New satellite for Tiny Home Takeout

Tiny Home Takeout Expands

To meet the demand of the many people coming for meals at Tiny Home Takeout in downtown Kitchener, two satellite locations have been opened, one on the site of St. Louis Adult Learning Centre at 154 Gatewood Road and the other at Holy Trinity Anglican Church, both in Kitchener. Some people were spending more than thirty minutes on the bus to get to downtown Kitchener, and this prompted the decision to open the new locations. At all three locations, food, including calzones and a side dish — either a salad, a soup or stew — is offered to anyone who comes for a meal. The slogan is "Grab a bite; give if you can".

The Holy Trinity Church site opens on Wednesday and Friday evenings, while the other site near St. Francis Church is open Tuesday and Thursday evenings. All

Chef Amy Cyr and Andrew Zettel, Outreach Coordinator

meals, 750 portions prepared daily, are assembled in the commercial kitchen at St. Mary's Church under the direction of Chef and Kitchen Project Manager Amy Cyr and distributed from there. Tiny Home Takeout has 160 volunteers who work in three shifts each day to prepare and distribute the meals. The need is great, and donations are always welcomed from individuals, organizations and businesses.

A Special Honour

Congratulations to Chef Amy Cyr, who earlier this year won the Oktoberfest Woman of the Year award for professionals under 40! Amy, the head chef and Kitchen Project Manager at St. Mary's Parish, does amazing work and continues to inspire all who work with her at Tiny Home Takeout.

Apostles of the Resurrection: Renewal of Promises

By Fr. Joseph deViveiros, CR

A special Mass was held on the Feast of St. Mary Magdalene with the Renewal of Promises of the Apostles of the Resurrection. All four Gospels bear witness that the Risen Lord first appeared to Mary Magdalene and entrusted her with the Good News of his Resurrection, sending her as the Apostle to the Apostles! Therefore, it is fitting that she is the Patron Saint of our lay collaborators: The Apostles of the Resurrection. On Saturday, July 22nd, her Feast Day, the Apostles of the Resurrection gathered with us (CR's) in St. Eugene's Chapel at Resurrection College. Unfortunately, the pandemic had hampered our ability to gather physically to renew promises but this year we were able to gather in person. Each year the Apostles promise to live their daily lives according to the spirituality, charism and mission of the Congregation of the Resurrection. Saint Mary Magdalene boldly goes out from the tomb and proclaims: "I have seen the Lord!" The Apostles join us in this mission to a broken world so desperately in need of the transforming power of God's Love.

Fr. Harry Reitzel, CR with new Apostle, Fr. Peter Meyer.

Ron Gotkowski, Fr. Pat Aiello, CR, JoAnne Piatek, Fr. Ray Reitzel, CR, Ed Chrzanowski and Lois Peterson visit after the Promises' Ceremony.

Our Provincial Superior, the Very Rev. Timothy Uniac, CR, presided at the Eucharist and accepted the Apostles' Promises. During Mass he led the congregation in a shared homily. Fr. Tim brought three images of Saint Mary Magdalene, he shared what struck him most about each image, and invited all present also to share how the images spoke to them.

The first is of Mary as a Penitent:

The second image is of Mary as a Lover of Jesus:

The last image is of Mary as a Woman of Prayer:

Have a look at the images, either by yourself or with others, and contemplate and discuss which image speaks to your heart.

The Mass was followed by a bbq lunch and an opportunity for Apostles to spend time with the Resurrectionists and enjoy their warm hospitality.

Changes in Formation Personnel in Tanzania

By Fr. Jim Donohue, CR

Regular readers of the Resurrection Bulletin have probably noticed some of the changes that have been made to our formation program in Tanzania. For many years, Fr. Andrzej Duda, C.R. managed all the different parts of formation: selection of candidates, pre-novitiate, novitiate, and post-novitiate. This has been a huge responsibility that he has admirably carried out for the entire Resurrectionist community.

A few years ago, the Vatican introduced a new step in the process of formation called the Propaedeutical Year. This is a year to prepare clerical candidates for their formation during their philosophical and theological studies. To respond to this requirement and to offer a novitiate regularly every year, we have re-organized our formation program in Tanzania.

Fr. Daniel Hınç, C.R. (former pastor of the parish in Butiama) was the first Rector of the Propaedeutical Year last year and will have a second group of 5 young men who will begin on September 1 in the formation house in Morogoro. Fr. Andrzej Duda, C.R. will be the permanent Director of Novices and he will begin

From left: Audax, Benedicto, Livinus, Cleophas, Jerome, and Valentino. Livinus and Valentino will join the Novitiate on August 15, 2023. Benedicto, Cleophas, and Jerome are in their last year of Philosophy and will be in the Novitiate next year, August 15, 2024.

The newest candidates for the Propaedeutical Year under the leadership of Fr. Daniel: Silvestrian Sanga – (21), Emmanuel Faraja – (23), Anord Peregrine Laurent – (22), Adrian Mzuma Adrian – (21), and Sylvester Revocatus Mponjea – (22).

the first novitiate since 2019 in Buhemba for 5 men. Fr. Jim Donohue, C.R. will move from the Buhemba Parish to become the Rector of the 15 Philosophy and Theology students in Morogoro. Thus, we now have three full-time Resurrectionists committed to formation ministry. In addition, Fr. Phillip Makondo, C.R. (pastor of the Butiama parish) oversees our 5 brother candidates. Fr. Duda will continue as the Vocation Director, assisted by Fr. Yohana Kachwele, C.R. We also have a Formation Committee comprised of Fr. Daniel, Fr. Andrzej, Fr. Jim, and Br. Mosses Katikiro, C.R.

It is fitting that we respond with such a commitment of personnel because these young men in the various stages of formation are the future of the Tanzanian Mission. Please continue to pray for our Tanzanian seminarians, but also for the Resurrectionists who are helping to form them to work for the resurrection of society.

From left: Karoli, Alexander, Joseph, and Paschal. Karoli, Joseph, and Paschal will join the Novitiate on August 15, 2023. Alexander is finishing some studies and should be in the Novitiate next year, August 15, 2024.

How You Can Help the Missions

Donations in aid of Resurrectionists working in the missions (Brazil, Bulgaria and Tanzania) will be gratefully received. It would be helpful if funds were not designated for a particular project or area; this would give the Congregation flexibility to use the money where it is most needed.
